AZTEC VS. ZULU

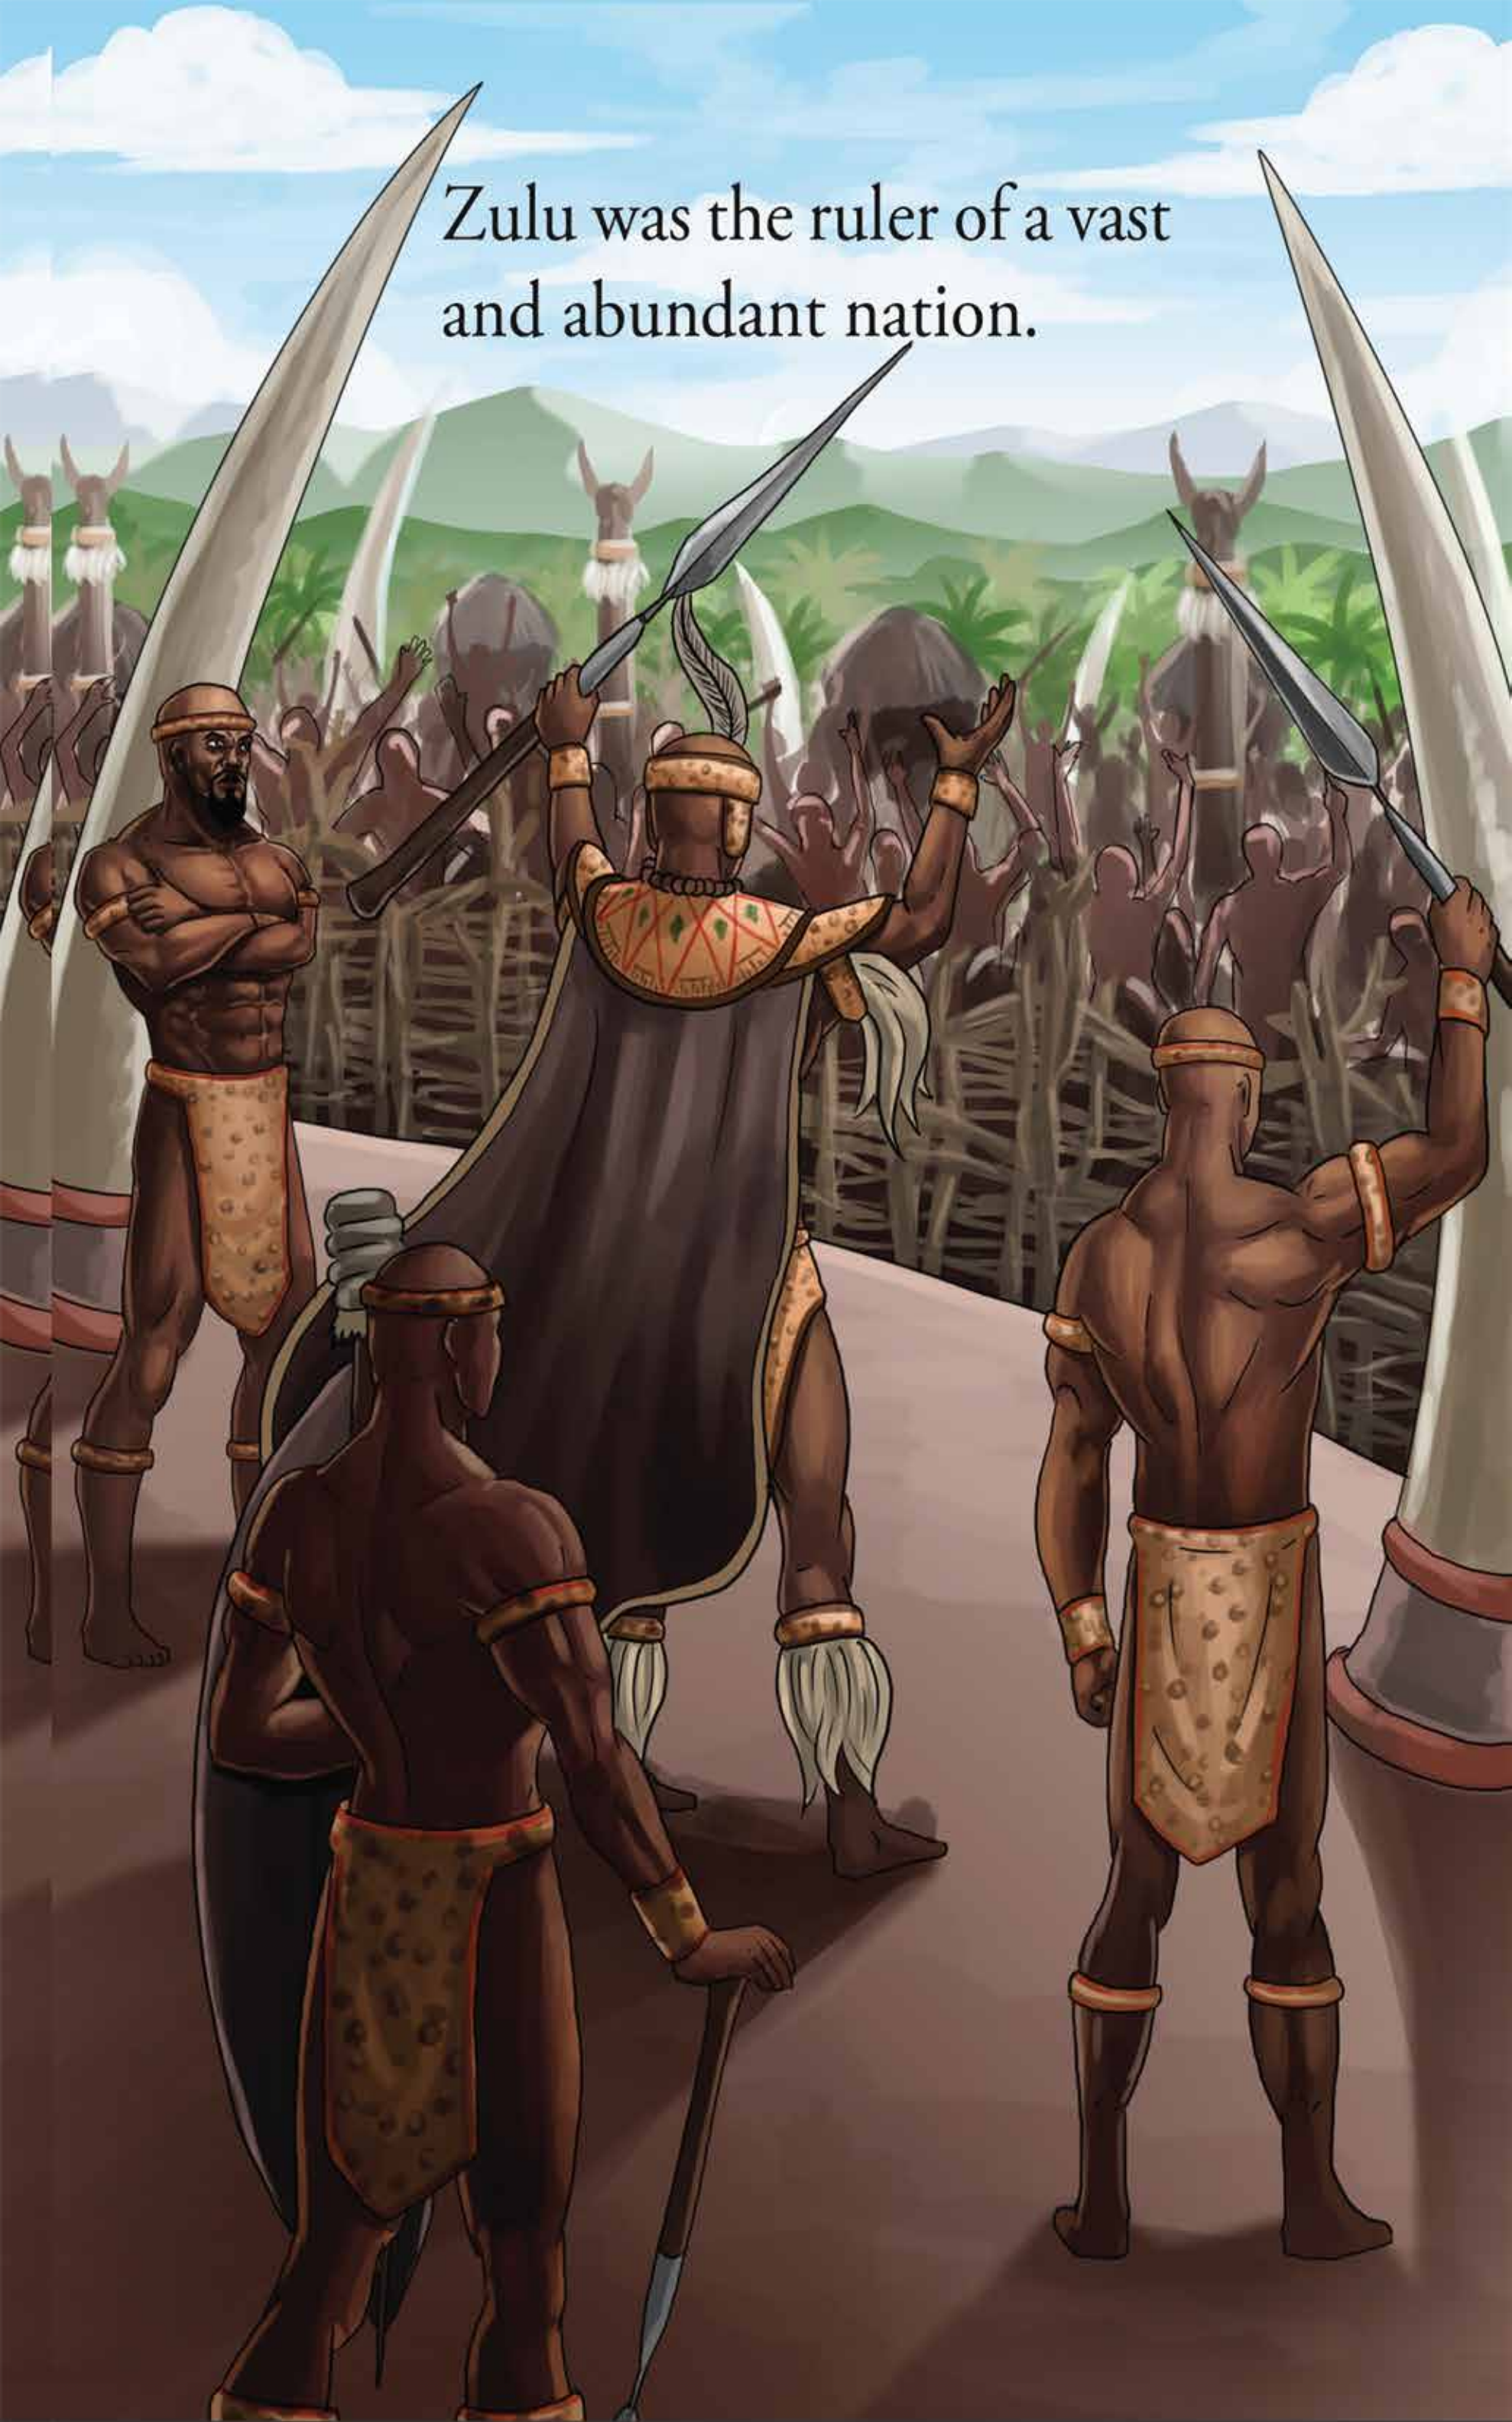

Illustrated by
Deni Nugroho

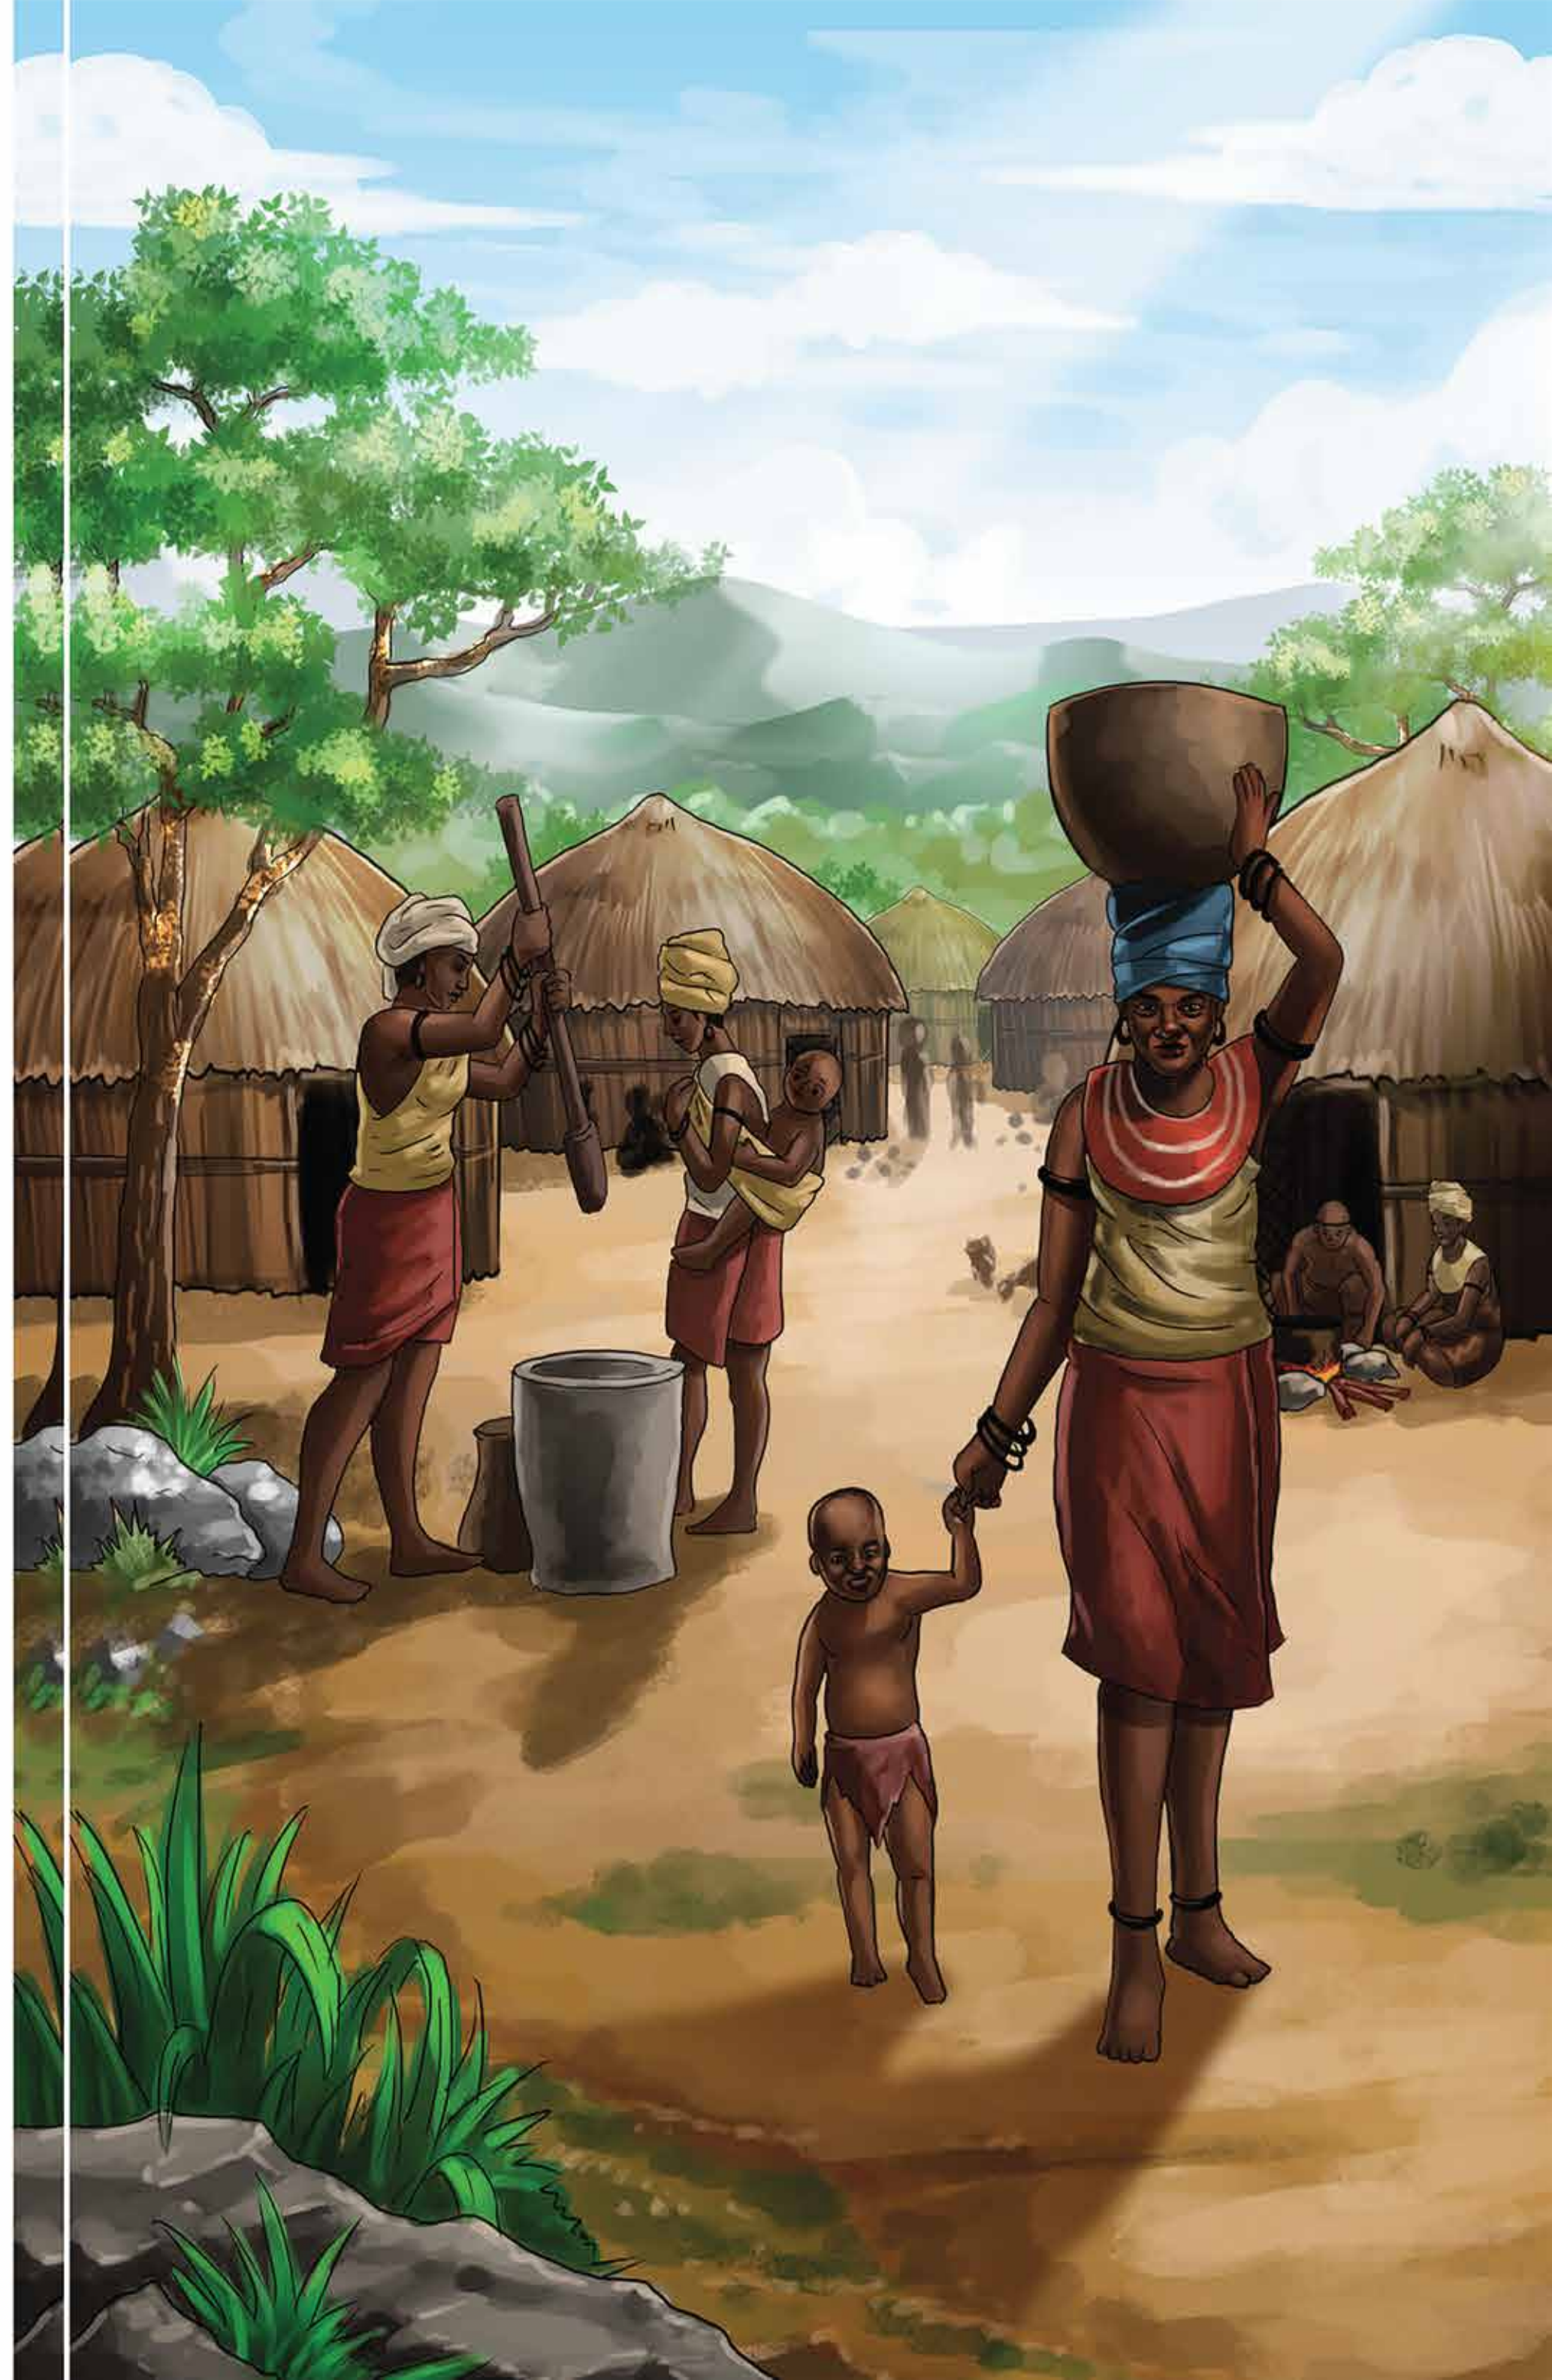

Read2MeDad™

Zulu was the ruler of a vast
and abundant nation.

His people lived in peace. They had everything they could want. Life was perfect.

Zulu warriors protected the people.
They were fearless in battle.

Their strength and stamina was unmatched.

They were also great hunters. They could even hunt large animals like elephants, lions and leopards.

One fierce leopard was stalking a nearby village. Zulu agreed to hunt the leopard to stop its attacks.
