I hatched from an egg.

I have two brothers and two sisters.

Will we survive?

A lush green forest scene with a yellow-green lizard hiding among large leaves in the foreground. The background shows tall trees and dense foliage.

I have to move fast to stay alive.

I am not safe.

But I am good at hiding.

I see more lizards.

Are they my friends?

Good thing I did not let them see me.

My brother was not so lucky.
