

Monsters

Don't Scare

GOD

Illustrated by
Lucas Rocha Santiago

I know that monsters are not real.

This is a work of fiction. The names, characters, places, and incidents within are the products of the author's imagination or are used fictitiously, and any resemblance to actual persons, living or dead, business establishments, events, or location is entirely coincidental. The publisher does not have any control over and does not assume any responsibility for author or third-party websites or their content.

But sometimes at night, I think they
are in my room.

A shadow in my
closet looks like
a scary monster.

It has one eye
and a sharp horn.

I don't move so
it won't see me.

But, I know it's there... watching me.
